### **CLOCKWORK HOME SERVICES® FRANCHISEES TO ELECT FIRST EVER FRANCHISE PRESIDENTS**

#### **Successful Franchise Owners will be chosen to Lead Franchise Brands**

**Sarasota, FL November 9, 2009**– Clockwork Home Services, Inc. (Clockwork) announced at its recent annual Congress meeting of the franchisees of One Hour Air Conditioning & Heating®, Benjamin Franklin Plumbing® and Mister Sparky America's On-time Electrician®, that franchisees will now have the opportunity to elect a new President for each of the Company's franchise brands.

These newly elected Presidents will each serve a two-year term beginning in January 2010. Candidates for these positions will be nominated from existing successful franchisees of each brand. Tab Hunter who had been the President of Franchise Operations for Clockwork will be available to assist the Company in a consulting role.

“When we looked at the criteria we felt a president needed, it only made sense to elevate a successful franchisee to that post,” explained Jim Abrams, President and CEO of Clockwork. “Who better to lead the fastest growing franchises than one of our most successful business owners? We are extremely excited to have these highly successful individuals share their knowledge, experience and strategies with all of the franchisees. In the end, Clockwork and the franchisees should benefit tremendously from this arrangement.”

The new Presidents will lead three brands that have become highly successful in a short period of time.
